

Northwestern Michigan College Engineering Club

Cookies & Cream Online Sale

NMC's Engineering Club is conducting an online sale for staff, students, family, and friends. All products can be mixed to provide you the best possible experience. Ask about our specials on 4 or 6 variety packs of ice cream.

The Engineering Club is taking pre-paid orders for Potter's Cookie Dough and Moomers Ice Cream. To better expedite that you get a quality treat of your favorite cookie dough or ice cream in the size container you selected. The engineers will deliver it to you, so it can be even more enjoyable from the most popular flavors of ice cream and cookie dough in the various sizes listed below.

This online sale is to help raise funds for our trip so we can compete in the SAE Baja Competition in Bellingham, WA., May 16th – 19th, 2013. We will be traveling the farthest any club has in NMC history and we need your support.
