

Health Education Tuition Subsidy

Career Opportunities Program for PA and NP Students

You've heard the saying, "It's better to give than receive." Learn how you can do both while pursuing a career in primary care. Come hear a presentation about how to get money to pay for your degree or student loans by putting your skills and abilities to work in communities in need.* Topics discussed will include the National Health Service Corps and the Michigan State Loan Repayment Program.

Monday, October 3, 2016 | 12 Noon to 1 p.m.
