

IAF 2019-2020 SEASON

CLIMATE CRISIS DISCUSSION

FROM PENGUINS TO PLANKTON

The dramatic impact of a changing climate in the Antarctic

Thursday, May 21 @ 4:00 PM via ZOOM

James B. McClintock is Endowed Professor of Polar and Marine Biology at the University of Alabama at Birmingham. He is a Fellow of the prestigious Explorer's Club and returned from his 15th research expedition to Antarctica

**“We can’t solve
this problem if
we won’t even
talk about it.”**

in March 2020. He is the author of *Lost Antarctica*. His research, funded by the National Science Foundation, has been featured in *National Geographic*, *CNN*, *The*

Washington Post, *Wall Street Journal*, *Chicago*

Tribune, and *Los Angeles Times*. In 2016 McClintock performed at Lincoln Center for *The Moth*. **Join the Discussion!**
